YEOMAN LODGE ENTERTAINS

Monday evening the Yeoman lodge was the host at a delightful party given for the children and the friends of the members at the lodge rooms on San Fernando Road.

The hall was appropriately decorated in Hallowe'en style in which cornstalks and pumpkin lanterns predominated. Many of the small guests and some of the older ones came in appropriate costumes and masked, and prizes were awarded as follows: Misses Mida Butler and Gladys Martin, Turkish maids, first; Misses Steelman and Howe, Chinese, second, and little Misses Luena and Louise Guth, clowns, third.

An interesting program came first in which there were recitations by Helen and Sadie Ake, Lois Whitman and Louise Guth, with piano solos by Audrey Haynes and Gladys Martin and violin solos by Herbert Bruck, accompanied by Dorothy Danner on the piano.

Later in the evening dancing followed, for which excellent volunteer music was furnished by Marie Lacrotte, Dorothy Danner and Walter Hibbert, piano; Regina Bacon and Herbert Bruck, violin, and Bob Danner and Jimmy Hamilton, drum, and Ed Moniott, banjo.

Hallowe'en refreshments of popcorn balls and apples were served, and the event was a great success.

WELCOME NEW MINISTER

A reception was held in the social hall of the Methodist Church Monday evening for the new minister, Rev. Smith, and wife, which was largely attended. A short program was given. Then refreshments were served by a committee from the

Ladies' Aid, and the new minister and his wife were given the right hand of fellowship not only by his church people but by many other well wishers of the community.

MARRIED: LYONS-BURLINGHAM

Wednesday evening, October 22nd, Miss Daphne Mae Burlingham was married by Rev. E. H. Willisford to James G. Lyons at the Lyons home on Maple Street, in the presence of a large company of friends and relatives.

After the wedding ceremony the party went to the home of the bride's mother on South Brand, where a reception was held and refreshments were served.

The happy couple are now away on their honeymoon trip and have a host of friends here who will welcome them home to Glendale on their return.

WOMAN'S F. M. ENTERTAINMENT

The entertainment given under the auspices of the Tropico Woman's Foreign Missionary Society was a success in every way, and was held on Thursday evening in Tropico Methodist Church. A very attractive musical program preceded the address of the evening. Mrs. Tuttle contributed a piano solo; Mrs. Rev. T. Marion Smith and Dr. Joseph Marple vocal solos; a saxophone solo by Miss Schont and a duet by Misses Kopp and Muhleman concluded the musical part of the program. Dr. Schumaker delighted all by his masterly address on China, illustrated by a number of curios. At the close of the address the audience adjourned to social hall where cake and ice cream were served. The proceeds amounted to nearly \$17, which was

donated to the church debt by the Society. The president of the Society wishes to thank all who helped in rendering the program.

CERRITOS SCHOOL HAS TAG DAY

The Cerritos Avenue School had a "Tag Sale" last Friday afternoon and Saturday, the proceeds to be used to purchase a phonograph to replace the one stolen. The "Sale" was very successful, some \$60 being realized thereby. A candy sale brought them \$12 and a popcorn sale was held on Thursday. Superintendent Harwood says that they will use chains or otherwise make this, the third phonograph, immune from thievery.

COLEMANS MOVE TO EL MONTE

Earl V. Coleman and family have sold their residence property on East Acacia and moved the first of the week to El Monte, where Mr. Coleman has employment with the Patton Lumber Company. Their host of friends regret their departure, but Mr. Coleman says it may not be permanent as he still owns property here and thinks no place can equal Glendale. The Herald will keep them posted on local affairs.

NEEDING MORE ROOM

The Glendale Paint & Paper Company and F. Gilman, who bought out their book and stationery department, were confronted with the need of more room to display and accommodate their constantly increasing trade and stock, hence a re-arrangement of partitions has been made to fit their needs. Both branches of the store are consistent advertisers and their stock and prices are right, hence their prosperity.

TRUSTEES PROCEEDINGS

The regular meeting of the Board of Trustees was held October 30. The Board assembled at 7:50 o'clock. All members present. Minutes of the regular meeting of October 23 were read and approved.

A letter was read from H. B. Titcomb of the Pacific Electric Ry. Co., Los Angeles, in answer to communication dated October 20, informing him of the Resolution adopted by the Board of Trustees in regard to unsatisfactory service given by that Company. Mr. Titcomb stated that the Company is doing everything possible to return service as promptly as is consistent with safety, stating that it is the object of the Company to please its patrons and that it hopes to have service returned to normal state very shortly. Communication filed.

A letter was read from R. L. McNitt, Attorney for Harry A. Wilson, who is operating an auto bus line between Pasadena and Ocean Park, via Glendale, stating that this enterprise is operating under a temporary permit given by the Railroad Commission pending strike conditions upon the Pacific Electric Railway Company's lines, until the further order of the Commission. A motion was made by Trustee Shaw and adopted to the effect that Mr. Wilson be liable for the payment of a license as required by City Ordinance and that the City Marshal be instructed to see that the same is paid, all members voting aye.

An application was presented from J. D. Lundregan for permit to operate a one cow dairy, which being approved by the Milk Inspector, was on motion of Trustee Henry granted.

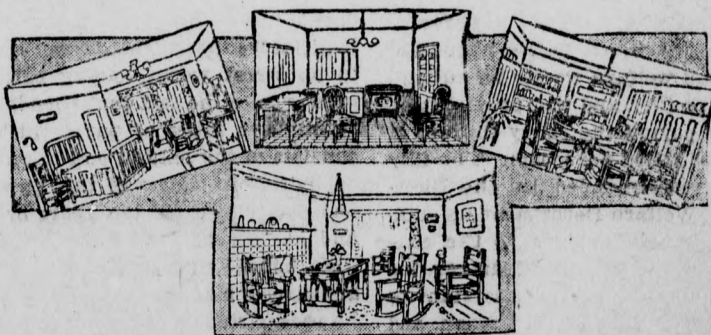

On motion of Trustee Shaw it was ordered that bids advertised for furnishing the City Public Service Department with two automobiles be

opened at this time. The following bids were opened, read and publically declared—Bid of Ford Agency, Glendale, offering to furnish two new Ford Runabouts for \$1186.36, delivered in Glendale, delivery to be made at any time required by the City. Bid was accompanied by certified check of \$118.64, being 10 per cent of the bid. Bid of Fish and Tarr, Chevrolet Agency, Glendale, offering to furnish the Chevrolet 1920 model automobiles at the following figures: Touring car \$857.00, Roadster \$835.00. On motion

of Trustee Henry it was ordered that the bid of the Ford Agency to furnish the City with two new Ford Runabouts for the Public Service Department be accepted; time of delivery to be determined by the City Manager, all voting aye.

A communication was presented from W. J. Hibbert offering his resignation as a member of the Public Library Board. On motion of Trustee Jackson it was ordered that the resignation be accepted. Chairman of the Board submitted the name of Dwight

Stevenson as a member of the Library Board in the place of Mr. Hibbert, and on motion of Trustee Woodberry the nomination was confirmed.

A letter was read from the City Manager in reference to a permit granted conditionally by the Board at its meeting of October 23rd, to construct a four foot sidewalk on Columbus Avenue between Stocker and Dryden Streets. The City Manager reported that he had informed the applicant for the permit that he could not recommend that the permit be granted for a four foot sidewalk but would recommend that a permit be granted to construct a five foot sidewalk. On motion of Trustee Shaw the recommendation of the City Manager was adopted. It was ordered that the permit granted previously by the Trustees is hereby revoked. On motion of Trustee Woodberry a permit was granted F. A. Tarr to construct a five foot sidewalk on Columbus Avenue south of Stocker Street was granted, all voting aye.

The City Manager presented a communication in reference to the work of the Welfare Bureau as provided for in Ordinance No. 230. He stated that representatives of the Tuesday Afternoon Club and the Federation of Parent-Teachers Association of this district desired to join with the City in work of general welfare. The representatives of these bodies requested that a local welfare worker be authorized by the City and that provision be made for paying the salary thereof in the sum of \$25.00 per month. The City Manager recommended that the Director of the Welfare Department be authorized to appoint, subject to the confirmation of the Board of Trustees, the worker referred to, as an assistant to manage the affairs of the bureau, and

that the salary of such assistant be placed at \$25.00 per month. The City Manager further recommended that the appropriation for Welfare work be increased from \$300 to \$400. On motion of Trustee Shaw the matter was referred to the Committee of the Whole.

The City Manager also reported on various matters previously referred to him and recommended that a representative of the City meet with the Patriotic Committee of the several Parent-Teachers Associations on October 31st, 1919, at the Intermediate School with a view of arranging plans for appropriate observance of Armistice Day, November 11th. He further suggested that all City offices be closed on that date. On motion the City Manager was directed to represent the City at this meeting.

The City Manager also reported on the proceedings of the Convention of the California Municipalities of which he and other City officials had recently attended at Riverside. Among a number of interesting things mentioned by him as having been brought before the Convention, was a presentation by him at that meeting of a paper on "The Advantage of Cities Doing Their Own Street Work." He stated in his communication to the Board, that it would be greatly to the advantage of Glendale if a law should be adopted by the Legislature permitting Municipalities to do street work; having particular reference to the fact that Glendale has twenty-five miles of pavement which consists of the natural soil mixed with asphaltic oil. Some of this pavement has been down for ten years or more and has served very well during that time, but the surface is now very rough and streets made in this manner should be reconstructed. It is not practicable

however, for the City to do this work under existing laws. Another item of interest to the City was brought before the Convention in regard to construction and maintenance of highways for heavy traffic. City Manager stated in this connection that the City of Glendale has within its limits over three miles of the San Fernando Road which carries a very large volume of heavy traffic and recommended that in order that the City might be informed as to what measure should be taken for the protection of this important highway, that an officer be stationed on this road for a period of one week, once every three months with instructions to gather data as to volume of traffic, weight of load, etc., which information it is necessary to obtain in order to have a thoroughly intelligent idea in regard to the subject. On motion of Trustee Shaw the recommendation of the City Manager in regard to obtaining facts as to conditions on San Fernando Road was approved, and he was authorized to station a man on that thoroughfare as recommended by him and to secure an extra officer for this service if necessary, all voting aye.

The City Manager recommended the transfer of \$1,000.00 from the Public Service Budget Fund to Insurance Reserve Fund as a return of loan. On motion of Trustee Shaw it was ordered that the transfer be made as recommended, all voting aye.

The City Manager submitted the following appointments and requested their approval by the Board. W. H. Collins, as night patrolman, compensation \$95.00 per month. L. Leppleman as utility man, compensation at \$4.25 per day. Denver Marquity, Donald Gode, Emil Keifer, volunteer firemen. J. W. Gibson as lineman, com-

pensation \$5.25 per day. On motion of Trustee Shaw recommendation of City Manager in regard to appointments was approved.

The City Attorney presented a letter from E. C. Johnson, City Engineer of the Pacific Electric Railway Company, in regard to a letter written by the City Attorney in reference to instructions from the Board of Trustees of the City of Glendale to take up with the Company the request of residents of Gardena Avenue for the opening of that street across the right of way of the Railway Company. The communication stated that while opening this crossing would no doubt be a convenience to the residents of Gardena Avenue who are a comparative few in number, there is practically no local travel south of San Fernando Road on the Pacific Electric, and the Glendale trains bound to Los Angeles after crossing said road become in effect high speed trains and the company does not deem that the advantage accruing to the few residents of that district would justify the extra hazard involved. No action.

The City Engineer presented a communication in regard to crossings and grades on the lines of the Pacific Electric Railway Company on Brand Boulevard accompanied by a map of the same.

City Attorney made a report in reference to a deed made by the City Treasurer for Lot A, Tract 927, to the effect that the same complies with the law. On motion the City Attorney was instructed to prepare an Ordinance covering the opening of Columbus Avenue through Lot A, Tract 927.

A communication was read from Mr. and Mrs. John Usilton thanking the Board for its action in connection

with the removal of a telephone pole in front of their home at 102 East Elk Avenue.

Trustee Woodberry reported that he had seen Mr. Regan engineer in charge of the County Flood Control and he had assured him that the work on the Verdugo Wash would be completed in time to take care of the coming winter rains.

Jottings By The Way

By The Rambler

The Y. P. B.'s of Glendale, which is the young people's branch of the W. C. T. U., held their regular monthly meeting at the home of Alice and Irene Wright, 1000 So. Glendale Ave. The members were agreeably surprised to find the Wright home beautifully decorated with Halowe'en trimmings and for an hour of two the guests reveled in such things as ghosts, witches and goblins are said to rave over. Mrs. S. E. Wright told a wonderfully true ghost story which was made more realistic when in the midst of the recital two white sheeted forms came creeping down the darkened stairway rattling chains and uttering dismal groans. Refreshments were served including nuts which had a fortune in each kernel.

Well, glory be, Seneca Street is getting a clean up this week. Let the good work go on.

Our visitors must be very much impressed by the appearance of some of the streets in this section.

Have you noticed the increased activity along the business block on San Fernando Road?

John Barleycorn died again this week in L. A.

Do not worry if you are misunderstood. Most of us are just that.

Edwin Virden and family have moved into their new home at 131 W. Eulalia Street.

Cheer up! Our hens are on a strike too.

Mrs. H. H. Noland and daughter are visiting Mrs. Noland's sister at 342 El Bonita.

We are sometimes blamed if we do and blamed if we don't, so what's the use? Moral, use your noodle and you can get by with it.

Romp with the children and stay do as you darn please—that is, if young.

John J. Breadwagon is visiting his uncle, A. Baker, on Gardena Ave.

The Hallowe'eners of the Methodist church celebrated with a party Thursday night.

H. Childers has gone to Monrovia.

Mistakes? Don't get any gray hairs over them. Sometimes the clocks go wrong in an insane asylum.

If you don't get your money's worth in this column, ask for it back.

By the way, if you don't advertise in this paper you are losing money—'S a fact.

Why not emancipate the street cars and use the buses—for service and a change.

The sign painter knocked the "I" out of Magnolia, one of our streets. It takes more nerve to write this stuff than for you to read it.

"THE LOTTERY MAN" AT THE PALACE GRAND TONIGHT

Tonight and at the matinee at the Palace Grand Theatre, "The Lottery Man" will be shown in which Wallace Reid takes the leading part. It is his greatest picture and is the laugh of a life time. In addition to the feature, there will be shown a Mack Sennett comedy, "Salome vs. Shenandoah," featuring Ben Turpin, Charles Murray, Charles Lynn and Phylis Haver. For Sunday, November 2, will be shown the famous stage play, "Fair and Warmer." This is the funniest farce Avery Hopwood ever wrote and is a wonderfully human play. There will also be shown a two reel comedy "A Sisterly Scheme." The two evening shows are at 6:45 and 8:45 and the matinee is at 2:30.

Monday, November 3 will be a return showing of "The Right to Happiness," with Dorothy Phillips as the star. This picture is one of the screen's masterpieces and is a wonderful production. It is one of the greatest love stories ever told. There will also be

shown a new clever Strand comedy. The matinee is at 2:30 and the two evening shows are at 7 and 8:45.

A Benefit for the Athletic Fund of the Intermediate School will be given

on Tuesday, November 4. "The Blue Bonnet" with Billie Rhodes is the attraction. It is a beautiful film play. There will also be shown a Harold Lloyd comedy, "Spring Fever," and a Bruce Wonder Mountain Trip. The matinee today is at 3:30 and the two evening shows are 7:00 and 8:45.

Wednesday, November 5, will be shown Madge Kennedy in "Through the Wrong Door." A very enjoyable story. There will also be a new comedy, "Billy's Hat," and the Latest Pathe News Events. The matinee is at 2:30 and the evening shows are at 7 and 8:45.

One day only. Thursday, November 6, D. W. Griffith's most wonderful picture, "Broken Blossoms." The picture will be shown at regular prices and the two evening shows are at 7 and 9. The box office will be open at 6:30. The matinee will be at 2:30 as usual. You

shouldn't miss this picture.

Friday, November 7, will be shown a brand new picture, and will be shown at the Palace Grand first. This is the picture play of "Told in the Hills" from the book of the same name by Marah Ellis Ryan. This is a romance of the plains and the mountains and is a real red-blooded out door story. It is an all star cast. Millions have read the book and now is a good time to see the picture. The matinee is at 2:30 and the two evening shows are at 7 and 8:45.
